

## REMARKS

The allowance of claims 23-34 and 37-42 is gratefully acknowledged.

Claims 35-36 have been amended by adding a limitation related to the test signal being receiver specific. Support for the amendment can be found, for example, on page 3, lines 8-15 of the PCT Publication. This feature is not disclosed in, or suggested by, Heiling.

Petition is hereby made for a one-month extension of the period to respond to the outstanding Official Action to February 17, 2008. A check in the amount of \$120.00, as the Petition fee, is enclosed herewith. If there are any additional charges, or any overpayment, in connection with the filing of the amendment, the Commissioner is hereby authorized to charge any such deficiency, or credit any such overpayment, to Deposit Account No. 11-1145.

Wherefore, a favorable action is earnestly solicited.

Respectfully submitted,

KIRSCHSTEIN, OTTINGER, ISRAEL & SCHIFFMILLER, P.C.
